Subject: Sundown Solar Farm

Dear Sir/Madam

The Department of Planning, Housing and Infrastructure – Crown Lands has reviewed the Sundown Solar Farm Addendum Submissions Report.

Crown land requirements outlined in the letter of 11 July 2025 (response to submissions report) have been considered and adequately addressed within the Addendum Submissions Report. Crown Lands notes the letter from Inverell Shire Council agreeing to the transfer of Crown roads known as Sturmans Road and Spring Mountain Road (Appendix G). Crown Lands can coordinate this transfer to Council at an appropriate time.

Crown Lands has no further comments on this project.

Please note that should the project boundaries be amended to include any additional Crown land, roads, or waterways, further advice from Crown Lands should be sought.

If the proponent requires further information, or has any questions, please contact Warren Martin, Natural Resource Management Project Officer in Crown Lands, on 02 67703118 or at warren.martin@crownland.nsw.gov.au.

Yours sincerely

Rodney O'Brien,
