**BY EMAIL**

Dear Ms Bandaruk,

**Bonshaw Solar Farm (SSD-9438) – Request for Comment on Environmental Impact Statement**

I refer to your email of 30 October 2019 seeking the NSW Environment Protection Authority (EPA) comment on the Environmental Impact Statement for the Bonshaw Solar Farm Project.

The EPA has briefly reviewed the document titled '*Bonshaw Solar Farm – Environmental Impact Statement*' dated 18 October 2019 and advise that the proposal will not need an Environmental Protection Licence if consent is granted. Accordingly, the EPA will not be providing any recommended conditions of approval for this project.

Please contact Daniel Stokes on (02) 4908 6804 or by email to [armidale@epa.nsw.gov.au](mailto:armidale@epa.nsw.gov.au) to discuss this matter further.

Yours Sincerely,

A handwritten signature in black ink, appearing to be 'D. Stokes', with a horizontal line extending to the right.
