Advice on Submissions and Amendment Reports – State Significant Development

Proposal: Cooranbong Coal Stockpile Extension

Major Project reference: SSD-5145-Mod-4

Received: 27 October 2025

Dear Melissa,

Thank you for your referral seeking advice on the above State Significant Development proposal. Heritage NSW has previously commented on the Environmental Impact Statement (EIS), requesting additional documentation of the consultation undertaken with the Registered Aboriginal Parties (RAPs).

The responses provided by OzArk Environment and Heritage as part of the Submissions Report and via email have adequately addressed the comments by Heritage NSW. The Amendment Report outlines that there are no additional impacts to Aboriginal cultural heritage from that outlined in the EIS. Heritage NSW has no further comments on the project at this time.

Please note that the above comments relate only to Aboriginal cultural heritage regulation matters. If you have any questions about this correspondence, please contact Corey O'Driscoll, Practice Lead at Heritage NSW on (02) 9873 8500 or heritagemailbox@environment.nsw.gov.au

Yours sincerely,

Alison Lamond
