**PORT BOTANY EXPANSION DA494-11-2003-I-MOD-18
PENRHYN ROAD, BANKSMEADOW**

Dear Ms Fishburn,

Thank you for providing Transport for NSW (**TfNSW**) with an opportunity to comment on the State Significant Development Modification 18 in relation to the Port Botany Expansion.

TfNSW notes that the modification seeks to:

- Update references to legislation (due to changes in legislation over 20 years).
- Streamline operational conditions as many of the existing conditions are highly descriptive and no longer reflect operational or environmental management practices at Port Botany.
- Remove redundant conditions.
- Amend the frequency/scope of compliance-based conditions.

TfNSW has reviewed the proposed modifications and advises that it has no requirements in relation to the proposed modifications.

However, given the intent of this modification is to resolve administrative issues with the Notice of Determination, TfNSW requests that consideration also be given to the modification of the Notice of Determination to remove redundant 'TfNSW(RMS)' references. All TfNSW conditions should now reference Transport for NSW or TfNSW only, as Roads and Maritime Services/RMS was dissolved under the *Transport Administration Amendment (RMS Dissolution) Act 2019*.

For more information, please contact Jim Tsirimiagos, Land Use Planner, on 0412 376 198, or by email at development.sydney@transport.nsw.gov.au.

Yours sincerely,

Rachel Davis
Senior Land Use Planner
Transport Planning Branch
Planning, Integration and Passenger
