Project Name	Chain Valley Colliery Consolidation Project
Industry	Mining
Development Type	Coal Mining
Capital Investment Value (excl GST)	AUD0.00
Indicative Operation Jobs	390
Indicative Construction Jobs	0

Indicative Assessment Pathway

State Significant Development

Description of Development

Consolidation of Chain Valley Colliery and Mannering Colliery Consents. Proposed mining within the Eastern Mining Area and extension of mine life an additional 2 years to end 2029.

Concept and Staged Applications Info

Are you intending to submit a Concept or Staged Application?

No

Site Details

Site Information

Site Name	Chain Valley Colliery
Site Address (Street number and name)	Off Construction Road, Mannering Park NSW

Local Government Area

Local Government	District Name	Region Name	Primary Region
Central Coast		Central Coast	
Lake Macquarie City		Hunter	

Statutory Context

Justification and Permissibility

Reason why the proposal is State significant

This development is for the purposes of coal mining (underground) and this triggers State Significant development as it is development for the purpose of mining that is coal mining as designated in the State Environmental Planning Policy (State and Regional Development) 2011 Schedule 1.

Permissibility of Proposal

Permissible with consent

Describe the permissibility of the proposal under relevant environmental planning instruments

This project is permissible with consent by reference to the State Environmental Planning Policy (Mining, Petroleum Production and Extractive Industries) 2007 Part 1 clause 7. The site is not located within the area identified as “Land where coal mining is prohibited” on the maps provided within the Mining SEPP.

Other

Is the proposal likely to require approval under the Commonwealth [Environmental Protection and Biodiversity Conservation Act 1999?](#)

No
