Roads

The submission from the major developer, Greenfields Development Company, is proposing a revised regional road hierarchy whereby Oran Park Centre will be directly linked with new emerging suburbs that includes Catherine Field.

SW Bus Service Plan

TfNSW is currently reviewing the long term bus network for the SWGC and the Precinct.

School Location

The school site will continue to be co-located with a Council's local parks, to provide passive open space for both school and nearby residents, and have new road access.
