Dear Dr Jackson

RE: Purple Cow Industries Resource Recovery Facility - Consultation on Proposed Development - 2 Bowman Road, Moss Vale

I am writing to you about your recent correspondence in relation to Purple Cow Industries' proposed resource recovery facility at 2 Bowman Road, Moss Vale. The EPA cannot provide feedback on the proposed development until a request for Secretary's Environmental Assessment Requirements (SEARs) is formally submitted via the Department of Planning and Environment's (DPE) Planning Portal and referred to the EPA for input.

Once the EPA has received the SEARs request from DPE, an EPA officer will be assigned to assess the proposal. The EPA can only provide comments and requirements for the proposed development after this assessment has occurred.

If you have any questions about this matter, please contact Anya Palaversich on 02 4221 6906.

Yours sincerely
