DKO acknowledges that we gather, live, work and design on Aboriginal land.

We pay respect to the inspiration, wisdom and story of Country and the traditional owners and custodians of this land. We extend that respect to the elders past, present and emerging.

We are committed to creating places where people of all cultures are welcome, respected and have equal opportunity in the local community.

The property is part of a well-established residential precinct with a strong sense of place.

Surrounding streets feature heritage homes, mature landscaping, and well-planned open spaces.

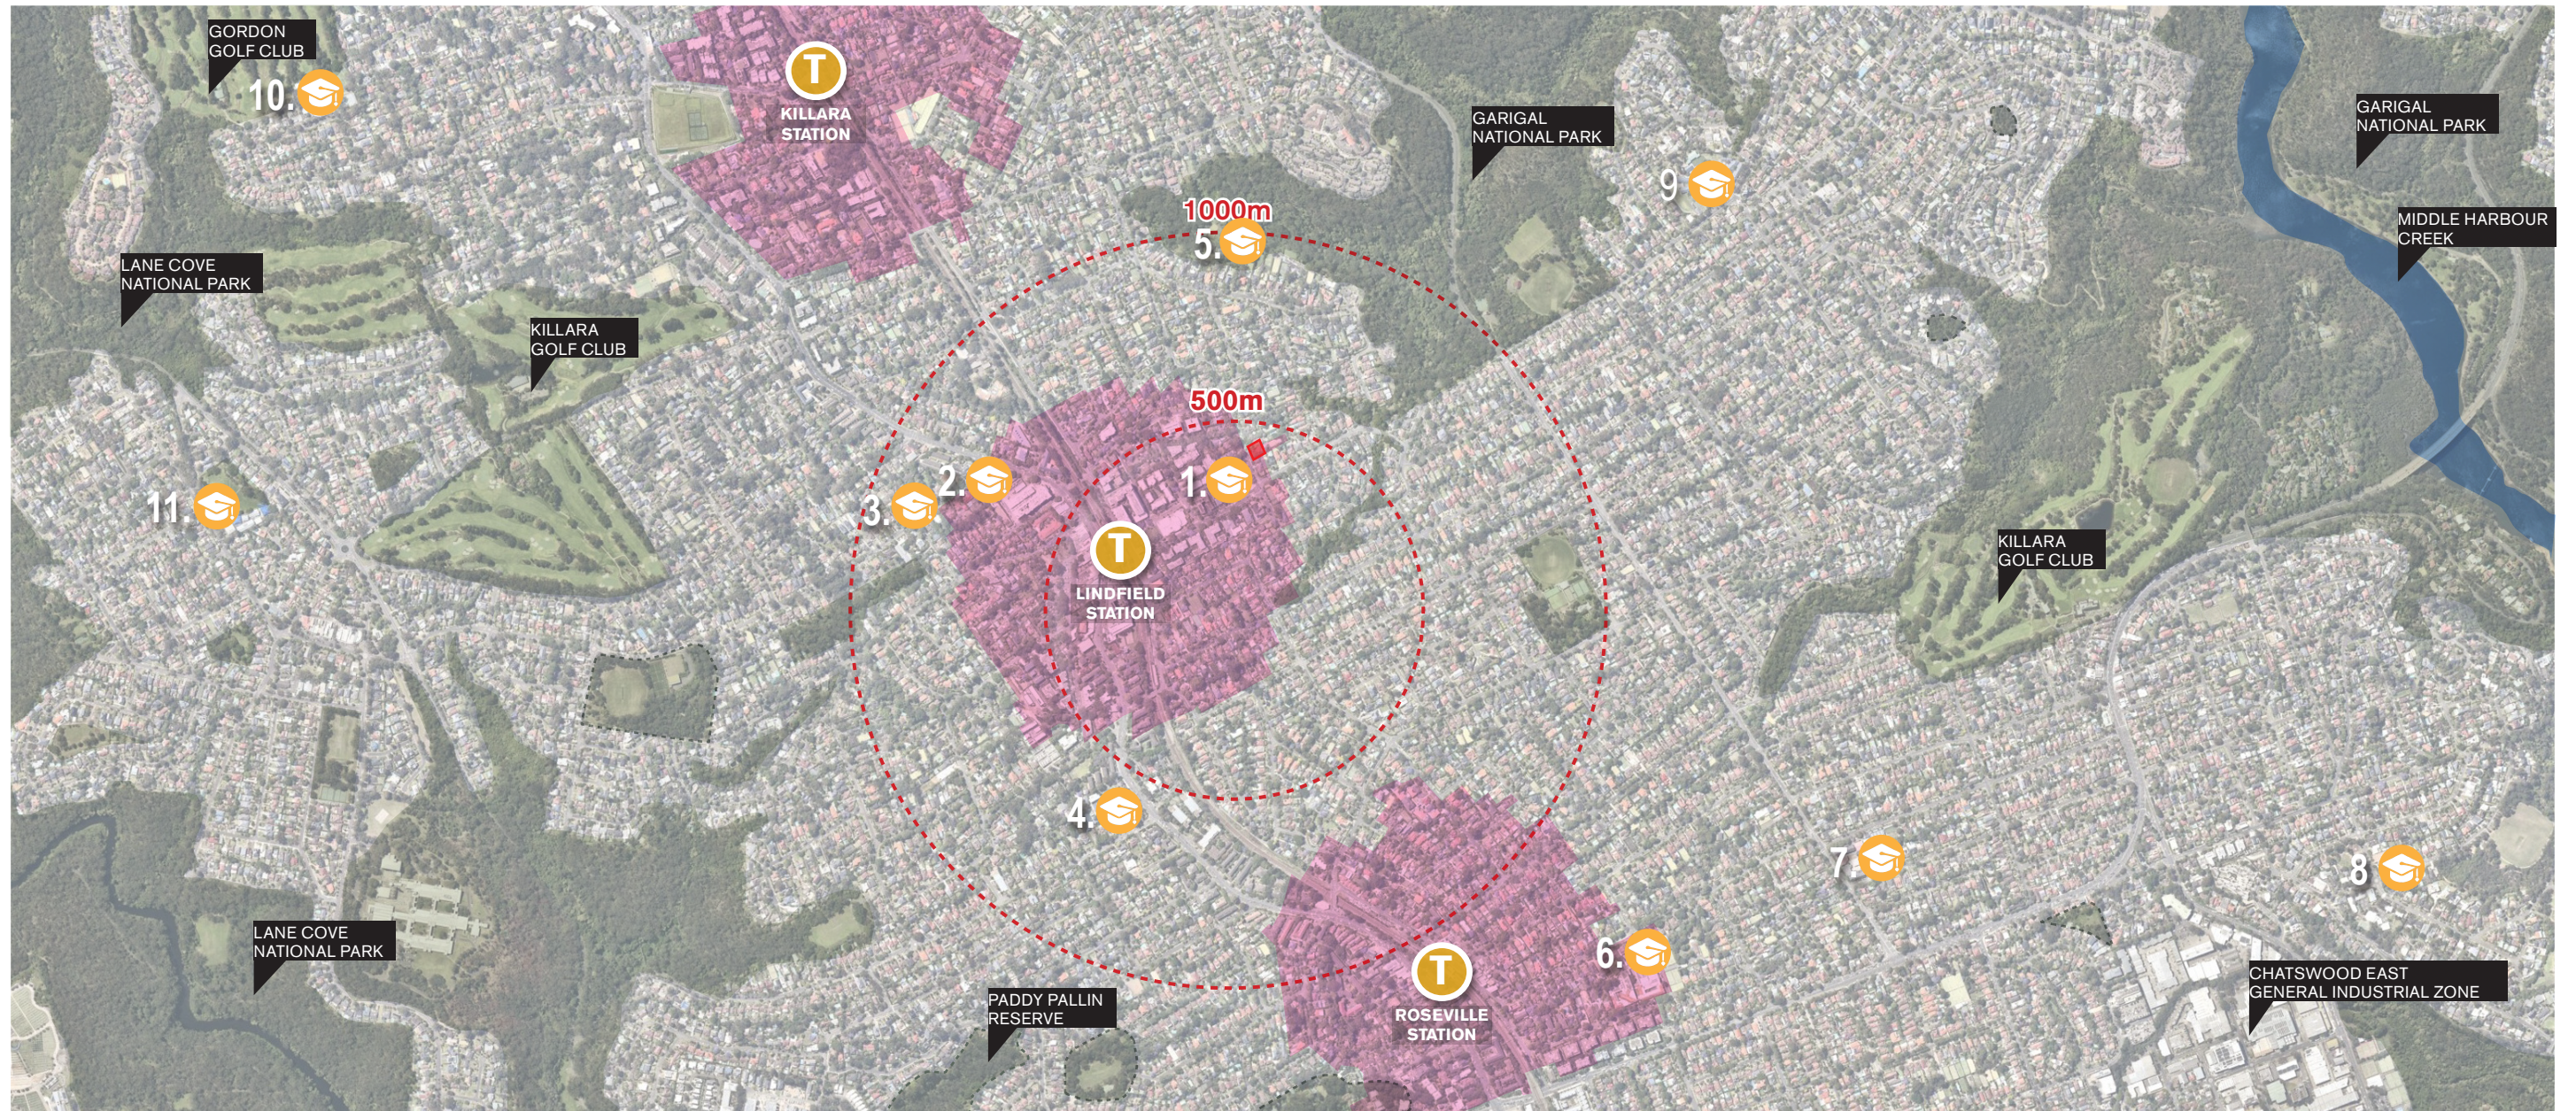

Whilst the area is undergoing rapid urban renewal, the delivered density should be designed to maintain this continuity of character by ensuring that any infill or redevelopment proposals are designed to be sympathetic to the existing urban form.

AFFORDABLE HOUSING OPPORTUNITY

Landmark Group are a registered Community Housing Provider (CHP) with a growing portfolio of affordable housing dwellings under management.

There is extensive shortage of affordable housing in the Kuringai LGA.

Key workers, such as nurses, forced out of the area for living and employment due to cost of living in Kuringai area.

30% of Lindfield residents work part-time and therefore desperately require discounted accommodation options.
