Dear Mr Sutherland

Splitting of Barren Box Swamp (PMA-15551958)

Splitting of Barren Box Swamp Project

I refer to your correspondence concerning a proposed modification to the **Splitting of Barren Box Swamp**.

The Department has reviewed the proposed approach to preparing a modification application and is satisfied that the application may be progressed.

Your next step will be to lodge your modification application through your dashboard on Major Projects on the NSW planning portal (<http://www.planningportal.nsw.gov.au/major-projects>). The application must be in the form available on Major Projects and include a Modification report that has been prepared with regard to the *State Significant Development Guidelines (including [Appendix E to the State Significant Development guidelines -preparing a Modification report](#))*

If your proposal is likely to have a significant impact on matters of National Environmental Significance, it will require an approval under the Commonwealth *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

This approval would be in addition to any approvals required under NSW legislation and it is your responsibility to contact the Commonwealth Department of Agriculture, Water and Environment to determine if an approval under the EPBC Act is required (<http://www.environment.gov.au> or 6274 1111).

If you have any questions, please contact Mark Wisely, who can be contacted on 9873 8526 or Mark.Wisely@planning.nsw.gov.au.

Yours sincerely,
