SYDNEY New South Wales 2000

05/04/2019

Dear Mr Walker

**ATP Locomotive Workshop (Bays 1 - 4a) (PMA-74)**  
**Locomotive Workshop Bays 1 - 4a (Mod 2)**

I refer to your letter concerning a proposed modification to the ATP Locomotive Workshop (Bays 1 - 4a).

The Department has reviewed the proposed approach to preparing a Modification Report and is satisfied with the level of assessment and community engagement proposed.

If your proposal is likely to have a significant impact on matters of National Environmental Significance, it will require an approval under the Commonwealth *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

This approval would be in addition to any approvals required under NSW legislation and it is your responsibility to contact the Commonwealth Department of the Environment to determine if an approval under the EPBC Act is required (<http://www.environment.gov.au> or 6274 1111).

If you have any questions, please contact Brendon Roberts, who can be contacted on (02) 9274 6422 / [brendon.roberts@planning.nsw.gov.au](mailto:brendon.roberts@planning.nsw.gov.au).

Yours sincerely

David McNamara
