Subject: Request for Additional Information

Dear Mr Hastie

I refer to Assessment for the Pymble Ladies' College Secondary Innovation Precinct (SSD-79146716) and the recent Response to Submissions (RtS) submitted to the Department. The Department is in the process of reviewing the RtS and awaiting agency advice, however after a preliminary review, is also requesting that you provide additional information including:

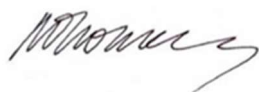

Operational and non-operational on-street parking study to inform the Department's assessment of on-street parking conditions during school term and holiday periods, in association with potential demand for on-street construction worker parking.

You are requested to provide the information, or notification that the information will not be provided, to the department by Friday 13 February 2026. If you cannot meet this deadline or do not intend to provide the additional information, please advise the department via the NSW planning portal.

The assessment period ceases to run between the date of this letter and the date you provide the additional information (or notification that the information will not be provided), in accordance with Part 4 Division 4 of the Environmental Planning and Assessment Regulation 2021.

If you have any questions, please contact Dimitri Gotsis on 8217 2053 or via email at Dimitri.Gotsis@planning.nsw.gov.au.

Yours sincerely,

Department of Planning, Housing and Infrastructure
