Subject: Request for Additional Information

Dear Mr Hynd

I refer to the Response to Submissions for the Port Botany Quayline Equalisation (SSI-79878464). After careful consideration, the department is requesting that you respond to the advice provided by Government advice agencies as published on the Major Projects portal.

You are requested to provide the information in a response to this Request for Information, or notification that the information will not be provided, to the department by Wednesday 15 April 2026. If you cannot meet this deadline or do not intend to provide the additional information, please advise the department via the NSW planning portal.

Note the Department is awaiting advice from the Port Authority of NSW and this will be provided to you and published when received.

The assessment period ceases to run between the date of this letter and the date you provide the additional information (or notification that the information will not be provided), in accordance with Part 4 Division 4 of the Environmental Planning and Assessment Regulation 2021.

If you have any questions, please contact Vageesha Walgama Wellalage via email at vageesha.walgamawellalage@dpie.nsw.gov.au.
