Limondale Battery Energy Storage System Project - Cessation of construction and commencement of operations RFI-106016231 Response

With respect to RFI-106016231:

The Department of Planning, Housing and Infrastructure (the Department) has reviewed the notification. However it is requested that further information is provided (via this rfi -106016231) namely the actual date that the Project entered operational status at the approved 50% capacity.

Response:

Although we received approval for Limondale BESS to operate at 50% from the TNSP on 8 January 2026, the plant did not commence actual operation until **11 February 2026**.

If any further information is required, please contact me at namha.quach@rwe.com as needed.

Yours sincerely,

Nam Ha Quach
