Dear Mr Hammond

I refer to the Response to Submissions document for the Gerroa Sand Quarry (Modification 2) (MP05_0099-Mod-2). The Department provided this document to the relevant state agencies and councils for review and comment. The advice received to date is now available on the Department's major projects website for the project:

Some advice is outstanding and is anticipated by 19 February 2026.

Nevertheless, I request that you review the advice received to date from the state agencies and councils and provide a written response by 30 March 2026. Further advice will be made available as it is submitted. If you have any questions, please contact Carl Dumpleton on 9274 6283 or via email at carl.dumpleton@planning.nsw.gov.au.
