Subject: Request for Additional Information

Dear Mr O'Mahony

I refer to the assessment for the Bullawah Wind Farm (SSD-50505215). After careful consideration, the Department requests the following additional information:

- Revised strategic designs for the road upgrades proposed at Euston and Balranald in accordance with comments provided from TfNSW and revisions to the design of the intersection at the Cobb Highway and Jerilderie Road to consider cumulative impacts;
- An amended project description including an updated consolidated table of road upgrades; and
- Updated information to verify the environmental assessment of the road upgrades, particularly in relation to the revisions to the intersection at the Cobb Highway and Jerilderie Road.

You are requested to provide the information to the Department by Wednesday 11 March 2026. If you cannot meet this deadline or do not intend to provide this information, please advise the Department via the NSW Planning Portal.

The assessment period ceases to run between the date of this letter and the date you provide the additional information (or notification that the information will not be provided), in accordance with Part 4 Division 4 of the *Environmental Planning and Assessment Regulation 2021*.

If you have any questions, please contact Emma A Mitchell on 02 9274 6371 or via email at emma.a.mitchell@dpie.nsw.gov.au.

Yours sincerely,
