

Memorandum of Understanding
between Alpha Omega Senior College
Ltd and

International Maarif Schools of
Australia

A commitment to a productive partnership
commencing

Review date: 24th of November 2020

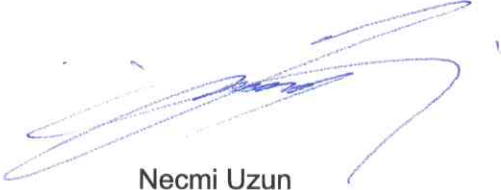

Context and rationale

This memorandum of Understanding between **Alpha Omega Senior College** and **INTERNATIONAL MAARIF SCHOOLS OF AUSTRALIA** is to share the premises located at the Northern end of the Wyatt Park sporting complex, Marie Dunn Netball Courts. The above parties, in a spirit of cooperation and mutual understandings, share the objectives of providing quality teaching and learning, meeting the curriculum requirements of the New South Wales Education Authority (NESA) and to make a difference to the lives of children.

Understandings about the Marie Dunn Netball Courts

1. International Maarif Schools of Australia will share the netball courts out of the 17 available courts during school hours. The netball courts will be utilized by International Maarif Schools of Australia and Alpha Omega Senior College students and staff for activities as assigned per the agreement with Cumberland City Council;
2. In the event an incident occurring while both schools are utilizing the facilities at Marie Dunn Netball Courts, the relevant discipline or related policies of the respective schools will be invoked.
3. Covid-19 safety rules need to be abide by if required and necessary, relevant measures are required to be taken by both schools and maintain appropriate space separation between the students from both schools.

4. If there are any changes to the needs for Alpha Omega Senior College regarding the courts, Alpha Omega Senior College requirements will take preference and another agreement may need to be drawn up.
