Subject: Request for Additional Information

Dear Mr Serra

I refer to Assessment for the Marulan Quarry (SSD-65146459). After careful consideration, the department is requesting that you provide additional information.

Please provide updated information regarding the *Environmental Protection and Biodiversity Conservation Act (1999)* (EPBC Act) listing status for the Large-eared pied bat. In the documentation submitted to the department, it is listed as “vulnerable”. However, it has been listed as “endangered” under the EPBC Act since August 2024. Would you please provide information regarding whether the species assessment for the bat requires updating within the submitted information.

Please provide this information to the department by Fri 12 June 2026. If you cannot meet this deadline or do not intend to provide the additional information, please advise the department via the NSW planning portal.

If you have any questions, please contact Carl Dumpleton on 9274 6283 or via email at [carl.dumpleton@planning.nsw.gov.au](mailto:carl.dumpleton@planning.nsw.gov.au).

Yours sincerely,
