Dear Jason

**WENTWORTHVILLE PUBLIC SCHOOL REDEVELOPMENT (SSD-9273)
RESPONSE TO REQUEST FOR ADDITIONAL INFORMATION**

I refer to the subject application and to your request for additional information dated 17th April 2019 wherein you requested advice from the ecologist in relation to the removal of Trees 42, 43 & 44 and specifically whether a revised BDAR is required in relation to the proposed school redevelopment.

Your attention is directed to the accompanying letter from Travers Bushfire & Ecology, Ref. No. Q17455 and dated 26th April 2019.

It is considered based upon that letter that a revised BDAR is not required in relation to the proposed removal of Trees 42, 43 & 44.

It is requested that should you have any queries regarding this matter that you do not hesitate to contact me to discuss.

Yours Sincerely

Andrew Minto
