Dear Mrs Mitchell

**Wellington North Solar Farm (SSD-8895)
Request for Additional Information**

I refer to Assessment for the Wellington North Solar Farm (SSD-8895). After careful consideration, the Department is requesting that you provide additional information.

You are requested to submit the following additional information:

Traffic

- Please confirm:
 - the traffic volumes likely to be generated during operation of the project;
 - the number of over-sized vehicles that would be generated during construction;
 - whether any traffic associated with construction of the transmission line would be required to use Twelve Mile Road and the intersection of Goolma Road/Twelve Mile Road;
 - the site access points for vehicles associated with construction of the transmission line; and
 - whether cumulative impacts of construction traffic on the intersection of Mitchell Highway/Goolma Road has been considered.
- Provide an updated figure showing the amended transport route and site access.

General

- Confirm that there is no change to the project site (978 ha) and development footprint (815 ha).
- Provide an updated constraints map (Figure 2-2 in the Amendment Report) showing:
 - differentiation between native vegetation that would, and would not be impacted by the development;
 - proposed vegetation screening; and
 - on site infrastructure, including substation, laydown area and site offices.

You are requested to provide the information, or notification that the information will not be provided, to the Department by **Thursday 25 February 2021**. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Rob Beckett on 02 9274 6388 or at rob.beckett@planning.nsw.gov.au.

Yours sincerely,
