Dear Mr Petracic

**IMAX Redevelopment (MOD 8) (SSD-7388-Mod-8)  
Request for Additional Information**

I refer to the above application for the IMAX Redevelopment (SSD-7388-Mod-8).

As discussed with Tim Smith at Ethos Urban, the Department requests clarification of the following inconsistencies.

The changes to the approved IMAX cinema GFA identified in the schedule on drawing no. ARC-HSL-DD-1052 REV S do not appear to reflect the changes shown on plan. Furthermore, the submitted plans do not appear to correspond with all changes identified in the Modification Report, specifically with respect to the proposed relocation of the projection room from level 4 to level 5.

You are requested to provide the information, or notification that the information will not be provided, to the Department by 14 June 2019. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact David Glasgow, who can be contacted on 82751182/ at david.glasgow@planning.nsw.gov.au.

Yours sincerely
