Attention: Caleb Ball - Planning Officer

Dear Caleb

RE: Wagga Wagga Hospital Redevelopment - Stage 3 – Modification 5 (SSD-9033-Mod-5) Request for additional information

We refer to recent correspondence seeking to clarify the parking spaces available in Car Park 9 of Wagga Wagga Base Hospital. The project team has confirmed that Car Park 9 accommodates 24 line-marked, vehicle spaces, located surrounding the building identified as 'Existing Asset Management' on the submitted Site Plan.

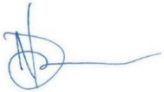

The below photos show parking spaces located to the north of the "Existing Asset Management" building identified on the site plan.

Images 1 & 2 | Vehicle spaces within Car Park 9, looking west and south respectively towards the 'Existing Asset Management' building:

We trust this confirmation of spaces provided in Car Park 9 assists the Department's assessment of the Modification Application. Please do not hesitate to contact the undersigned on 0403 977 113.

Yours sincerely

Nicholas Dowman
Senior Planning Advisor
