Dear Ms McEntee

Request for Additional Information**

I refer to the Response to Submission (RtS) documentation provided to the Department on 7 June 2019 for the Wyong Hospital Expansion (SSD-9536). After careful consideration, the Department is requesting that you provide additional information.

You are required to provide the following:

- a response to the concerns raised by RMS in its submission on the RtS regarding traffic capacity improvements and their impacts on the Pacific Highway, as detailed further in the attached document.
- clarification of the Lot and DP for the hospital site as there is a discrepancy between SIX maps and the application documentation.
- confirmation of the total area of the site (sqm).

You are requested to provide the information, or notification that the information will not be provided, to the Department by Tuesday 16 July 2019. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.
