RE: Eastlakes North Project

MP09_0146 Mod 4 – Condition E30 (c) & (d)

I confirm that Profile Landscape is contracted for the soft landscaping works at the above project. We have been engaged to do weekly maintenance works for the period of 26 weeks from completion which includes replacing plants in the events of death, damage, theft, or poor performance. We are also engaged to maintain the new street trees on Evans Avenue for the period of 12 months after completion. Maintenance includes watering twice a week for a period of 4 months and after that at a frequency to sustain adequate growth, biannual feeding with a suitable fertilizer, weed removal and replenishment of the mulched base, but does not include trimming or pruning the trees under any circumstances.

Any trees that fail to thrive shall be replaced by owners/strata corporation to Council satisfaction at their expense.

Regards,

Carlo Capogreco

Director
