Dear Mr Scott

**Glendell Continued Operations Project (SSD-9349)
Request for Additional Information**

The Department is continuing to progress its assessment of the Glendell Continued Operations Project (SSD-9349) and has received further feedback from the Biodiversity Conservation Division within the Department regarding the assessment of Commonwealth matters required in accordance with Bilateral Agreement between the Commonwealth and the NSW Governments.

The Department requests that you provide the following additional information:

- an assessment of the likelihood of occurrence of all Matters of National Environmental Significance (MNES) with potential to be impacted by the Project, including migratory species, and whether these entities require an assessment of significance; and
- an assessment of the potential for built structures within the Project area to provide roosting habitat for the Large-eared Pied Bat.

You are requested to provide this additional information by Friday 23 July 2021. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Joe Fittell on 02 4908 6896 or via email at Joe.Fittell@planning.nsw.gov.au.

Yours sincerely,
