Dear Mr Edminson

Dubbo Quarry Continuation Project (SSD-10417)
Request for additional information

I refer to the Response to Submissions (RTS) submitted for the Dubbo Quarry Continuation Project (SSD-10417) on Friday 18 June 2021.

The Department acknowledges receipt of this document and that the RTS is incomplete. The Department therefore requests that you submit additional information including information relating to noise, surface water and air quality impacts to respond to matters raised by the EPA, DPIE Water and the Natural resource Access Regulator, Dubbo Regional Council and in relevant community submissions.

Please provide the remaining parts of the RTS to the Department by Friday 2 July 2021.

If you have any questions, please contact Robert Hodgkins, who can be contacted on 4904 2711 or at Robert.Hodgkins@planning.nsw.gov.au.
