Dear Mr Anmak

IMSA Gallipoli Campus Auburn (SSD-8926) - Request for Additional Information – RFI-2581

I refer to the state significant development application for the IMSA Gallipoli Campus Auburn (SSD-8926).

The Department would like to advise that whilst the assessment of the application will continue in accordance with required timeframes, a determination cannot be made until the planning proposal currently being considered in relation to the site has been gazetted. This is because the use of the site for an 'educational establishment' remains prohibited under the current planning controls.

The Department therefore requests that evidence be provided of the gazettal of the planning proposal.

If you have any questions, please contact Dimitri Gotsis, who can be contacted at Dimitri.Gotsis@planning.nsw.gov.au.

Yours sincerely,
