Dear Mr Thompson

**New Cobar Complex Project (SSD-10419)
Request for Additional Information**

I refer to the assessment of the New Cobar Complex Project (SSD 10419). Following a preliminary review of the Submissions Report, the Department requests that you provide the following additional information.

- A copy of the development consents proposed to be consolidated as outlined in section 2.3.1 of the Environmental Impact Statement.
- A consolidated table of existing conditions of consent, clearly noting which conditions remain relevant to the existing operation, and which are no longer relevant. Any other information relevant to the status or application of these conditions should also be included.
- Details of the terms of a voluntary planning agreement with Council relating to the proposed project.

The Department is consulting with government agencies on the Submissions Report and will forward you additional advice as it is provided to the Department.

If you have any questions, please contact Philip Nevill 8275 1036 or at philip.nevill@planning.nsw.gov.au.

Yours sincerely

Gabrielle Allan
Principal Planning Officer
as delegate for the Planning Secretary
