I refer to the Department's initial assessment of the Inland Rail - Narrabri to North Star (SSI-7474) project. After careful consideration, the Department is requesting that you provide additional information. Please note that the Department may request further information in order to complete its assessment after the completion of Submissions and Preferred Infrastructure Report's exhibition and receipt of any submissions made to it.

It would be appreciated if you could further liaise with the Department's project team on these matters so that the information can be provided by Friday 7 February 2020. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.
