Dear Ms Robinson,

Request for Additional Information**

I refer to the modification assessment for Shore School - Physical Education Centre Mod 1 (SSD-7507-Mod-1). After careful consideration, the Department requests that you provide the following additional information:

- Diagram 01 on Drawing No. A-DA-4090 provides a north-south (approx.) section through the cooling towers at the eastern end of the building. Please provide a cross section closer to the modification and identify the proposed changes;
- Diagram 02 on Drawing No. A-DA-4090 provides an east-west (approx.) section through the building to the north of the section of the building to be modified, and as such, doesn't show the modification. Please provide a cross section looking towards the modification; and
- Please also provide an annotation identifying the maximum building height on each of the sections and elevations.

You are requested to provide the information, or notification that the information will not be provided, to the Department by Friday 10 January 2020. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Kathyne Glover, who can be contacted on 02 9274 6558 or Kathyne.Glover@planning.nsw.gov.au.
