Dear Ms Pignone

**Sancrox Quarry Expansion Project (SSD-7293)
Request for Additional Information**

I refer to the above application for the Sancrox Quarry. After careful consideration, the Department is requesting that you provide additional information.

You are requested to submit additional information that effectively addresses the issues identified in **Attachment A**.

The Department requests a detailed response to the matters outlined in **Attachment A** by Monday 23 March 2020. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Melissa Anderson on the details above.

Yours sincerely,

Colin Phillips
Team Leader
Resource Assessments (Coal & Quarries)

Attachment A

1. The Department requests the last 10 years of annual quarry production data.
2. Provision of the last 5 years of blast monitoring data including the range of maximum instantaneous charge (MIC) used for blasts in each year.
3. Provision of a description of blasting procedures and how these are managed. This includes:
 - a. who plans and conducts the blasts;
 - b. any quality control and safety management practices in place for blasts;
 - c. the size of blasts;
 - d. the frequency of blasts;
 - e. the management of buffer zones, including roads.
4. Please advise whether the vegetative buffer of minimum 1 metre has been retained to the Expressway Spares property (Lot 4 DP 1241253).
