Dear Emily,

RE: Response to Request for Information for SDD 5175 Mod 5 - Eastern Creek Business Hub

We write in response to your query regarding the Minchinbury Centre referenced in the Hill PDA Report that accompanies the above-mentioned application. Hill PDA has confirmed that the centre referenced is located on the corner of Minchin Drive and McFarlane Drive (see below). It is an existing neighbourhood centre with a small format IGA supermarket.

Yours sincerely,

Chris Forrester
