Dear Mr Edminson

**Dubbo Quarry Continuation Project (SSD-10417)
Request for Additional Information**

I refer to your request for the Planning Secretary's Environmental Assessment Requirements (SEARs) for the preparation of an Environmental Impact Statement for the Dubbo Quarry Continuation Project (SSD-10417). After careful consideration of the Scoping Report prepared by EMM and dated December 2019, the Department is requesting that you provide additional information.

You are requested to clarify and submit the following additional information as referenced in the Scoping Report:

- Section 2.1 - please provide clarification of the Lot and DP numbers of the land proposed to be developed;
- Section 2.2 – refers to the Environment Protection Licence (EPL) No. 2122, held by Holcim. A search of this EPL on the Environment Protection Authority database reveals that it does not belong to Holcim. Please provide the details of the relevant EPL held by Holcim;
- Figure 1.2 – this figure does not clearly display Lot and DP numbers for the land proposed to be developed. Please amend the figure with the correct Lot and DP numbers and enlarge the text so that it can be clearly read.

You are requested to provide the information, or notification that the information will not be provided, to the Department by Tuesday 3 March 2020.

If you have any questions, please contact Melissa Anderson on the details above.

Yours sincerely,

Colin Phillips
Team Leader
Resource Assessments (Coal & Quarries)
