Dear Mrs Mitchell

**Wellington Solar Farm – Modification 2 (SSD 8573 Mod 2)
Request for Additional Information**

I refer to the Modification Report submitted for Wellington Solar Farm Modification 2 (SSD 8573 Mod 2). After receiving comments from agencies on the proposed modification, the Department is requesting you to provide additional information, as outlined in Attachment 1 and Attachment 2.

Please provide the information, or notification that the information will not be provided to the Department by Friday 20 March 2020. If you are unable to provide the requested information within this timeframe, you are requested to provide, and commit to, a timeframe detailing the provision of this information.

If you have any questions, please contact Javier Canon who can be contacted on 02 9373 2821 or at Javier.Canon@planning.nsw.gov.au

Yours sincerely

Attachment 1 – Department's comments

Matter	Comments
Biodiversity and Heritage	Please address comments made by the Biodiversity and Conservation Division in its letter dated 25 February 2020 (see Attachment 2)
Transport	Provide further justification of the traffic and transport impacts resulting from the proposed modification particularly in relation to the increased number of panels proposed. The Department notes that the proposed modification is to install a further 60,714 PV panels (i.e. 14% additional to the approved project), however the Modification Report states "<i>No more infrastructure would be transported to site, hence no increased traffic impacts would result</i>" (p-DIII).
General requirements	Revise the page numbering and cross-referencing of figures and tables in the Modification Report.
