Dear Mr Stock

**Woolworths Warehouse and Customer Fulfilment Centre, Marrickville (SSD-10468)  
Request for additional information**

I refer to the Response to Submissions (RTS) report recently submitted in support of Woolworths Group Limited's (the Applicant's) current State significant development (SSD) application for the proposed Customer Fulfilment Centre and Warehouse at Marrickville (SSD-10468).

The RTS report was provided to Inner West Council (Council) and relevant public authorities to confirm whether it had adequately addressed their previous comments. All responses received in relation to the RTS report have now been made publicly available on the Department's Major Projects website (<https://www.planningportal.nsw.gov.au/major-projects/project/35116>).

I note that Council has raised a number of concerns in relation to the development's flood model and the proposed diversion of Sydney Water's existing stormwater channel. Accordingly, the Department would like to meet with you and your planning consultant to discuss your intended approach for resolving these issues.

The Department requests that you provide a response to all issues raised in Council's letter by **3 December 2021**. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

To organise an appropriate time to meet with the Department, please contact Patrick Copas on (02) 9274 6273 or via email at [patrick.copas@planning.nsw.gov.au](mailto:patrick.copas@planning.nsw.gov.au).

Yours sincerely,
