Dear Andrew Beattie,

**Kamay Ferry Wharves Project (SSI-10049)**

**Request for additional information response**

Transport for NSW has prepared a response to the Request for Information (RFI) from the Department of Planning and Environment dated 19 November 2021.

The response to the RFI is attached to this letter and includes:

- Attachment A – response to each RFI question
- Attachment B – Updated Biodiversity Development Assessment Report (BDAR)
- Attachment C – Updated Marine Biodiversity Offset Package (MBOS)

Should you have an inquiry regarding these matters, please contact Chris Williams, Senior Environment and Sustainability Officer.

Sincerely,

A handwritten signature in black ink that reads "Andrew Dooley".
