Dear Mr Scott

**Glendell Continued Operations Project (SSD-9349)
Request for Additional Information**

As you are aware the Department has engaged an independent expert (Hector Abraham Architects) to provide advice on the proposed relocation of the Ravensworth Homestead.

The independent advice does not re-assess the potential impacts associated with the relocation, but rather it focuses on identifying the heritage values that would be retained should the relocation be approved. It also aims to identify whether there are any additional mitigation measures which could be implemented to further preserve the heritage values associated with the homestead.

Hector Abrahams Architects has finalised its advice and provided the *Review of Heritage Impacts* letter attached to this letter.

The Department now invites Glencore to review the letter provided by Hector Abrahams Architects and provide it's response to any aspects of the letter which it deems necessary.

If you have any questions, please contact me on 02 4908 6896 or via email at Joe.Fittell@planning.nsw.gov.au.

Yours sincerely,
