Subject: Response to the request for Information by DPIE – Hawkesbury Centre of Excellence (SSD-15001460)

Dear Navdeep

On behalf of School Infrastructure NSW (SI NSW), this submission has been prepared by RPS in response to the Department of Planning, Industry and Environment's (DPIE) Request for Additional Information (RFI), dated 2 December 2021 and in response to agency comments to the submitted RtS regarding the State Significant Development Application (SSDA) for the Hawkesbury Centre of Excellence (SSD-15001460).

This submission provides a response to agency submissions received from DPIE (requiring an updated Biodiversity Development Assessment Report (BDAR)), the Environment, Energy and Science Group and Transport for NSW.

This letter should be read in conjunction with the following.

- Attachment A –RFI Response Table by RPS.
- Attachment B – Updated Architectural Drawings by NBR Architecture.
- Attachment C – Updated BDAR by Narla Environmental.
- Attachment D – Updated Arboricultural Impact Assessment (AIA) Report by Sturt Noble Arboriculture.
- Attachment E – AIA Report for Vines Drive Upgrade by Sturt Noble Arboriculture.

We trust the response will enable DPIE to finalise their assessment of the SSDA. Please do not hesitate to contact Ms Helen Mulcahy, Principal Development Planner at SI NSW, Helen.Mulcahy@det.nsw.edu.au or Rob Dwyer at rob.dwyer@rpsgroup.com.au.

Yours sincerely,
for RPS Australia East Pty Ltd
