

Mr. Chris Ritchie
Director
Industry Assessments
Department of Planning, Industry and Environment (DPIE)

September 30, 2020

Dear Chris,

**Clyde Terminal Conversion Project - SSD-5147 MOD 1 -
Surrender of Existing Development Consents**

I refer to the my letter dated 23 January 2020 surrendering existing development consents for the Clyde Terminal and the subsequent email correspondence from Patrick Copas clarifying the requirements of clause 97 of the Environmental Planning and Assessment Regulation 2000 (the Regulation).

The Clyde Terminal is located at 9 Devon St, Rosehill and includes the following lots:

- Lot 1, DP 109739
- Lot 1, DP 383675
- Lot 101, DP 809340; and,
- Lot 2, DP 224288

In accordance with the Regulation requirements, the requirements of the Clyde Terminal Conversion Project Development Consent condition B8 Surrender of Existing Development Consents, and condition 8 of the Modification of the Development Consent, Viva Energy Australia Pty Ltd hereby surrenders all existing development consents for the site originally approved by DPIE, which are listed in the below table as an excerpt of Appendix B of the Modification of Development Consent approved on 29 July 2019. The balance of the Appendix B list is surrendered in a separate letter to the original approving authority (i.e. Parramatta City Council).

DA Number	Date	Project
DA/07/0067	2008	Hydrodesulphurisation unit upgrade of existing unit and associated infrastructure to reduce sulphur content in Diesel (HDS2).
DA/06/0013	2008	Upgrade to fluidised catalytic cracking unit.
06_0013	2007	Fluidised catalytic cracking unit reactor and regenerator rejuvenation.
249-09-01-MOD 1	2007	Modification to HDS Unit – Demolition.
DA-140-6-2004i	2004	Benzene reduction unit – Mogas Improvement.
249-09-01	2002	Upgrade hydrodesulphurisation plant.

Please contact me by email Erica.Salazar@vivaenergy.com.au or by phone on my below details should you require further information.

Yours sincerely,

Erica Salazar
NSW HSSE Lead
