Dear Mr Bendevski

**Borg Timber Processing Facility Expansion, Oberon-Mod-4 (SSD-7016-Mod-4)
Request for additional information**

I refer to the modification application for the Borg Panels Timber Processing Facility (SSD-7016-Mod-4) at 126 Lowes Mount Road, Oberon.

The Environment Protection Authority (EPA) has provided advice on the modification application in regard to site water management, air quality and noise. The Department requests that you provide a response to the issues raised in the EPA's advice letter in conjunction with the Department's request for information dated 24 November 2021.

The Department also notes the EPA has requested that a discharge impact assessment be undertaken to identify the potential surface water quality risks associated with the proposed modification. This assessment must be prepared by a suitably qualified expert.

Please provide the information or notify us that the response will not be provided, by **Friday 4 February 2022**. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

If you have any questions, please contact Pamela Morales on 02 9274 6386 or via email at pamela.morales@planning.nsw.gov.au.

Yours sincerely,
