Dear Mr Hanley

**Shoalhaven Starches Co-Generation Plant (MP06_0228 Mod 23)
Request for additional information**

I refer to the Response to Submissions (RTS) submitted for the Shoalhaven Starches Co-Generation Plant Mod 23. The Department has reviewed the RTS in consultation with the Environment Protection Authority (EPA) and requests additional information.

As discussed at our meeting on 16 February 2022, the EPA requested an acoustic model of the proposed co-generation plant to fully understand the noise impacts of the modification. Please provide the additional information by Monday 14 March 2022. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

The EPA has advised they will be providing comments on the air quality aspects of the RTS by 22 February 2022. These will be provided to you shortly.

If you have any questions, please contact Deana Burn, on 0292746453 at deana.burn@planning.nsw.gov.au.

Yours sincerely,
