Dear Mr McKimmie

**Howlong Sand and Gravel Quarry Expansion (SSD-8804)
Request for additional information**

I refer to the assessment for the Howlong Sand and Gravel Quarry Expansion (SSD-8804). Additional information is required to address the issues raised by agencies and Federation Council on the Response to submissions document. The agency advice can be found at: <https://pp.planningportal.nsw.gov.au/major-projects/projects/howlong-sand-and-gravel-quarry-expansion>

Please note that advice is outstanding from the NSW Environment Protection Authority and Heritage NSW. This advice is expected by the 22 March 2022. A secondary request for information will come following receipt of this advice.

I would like to highlight two key matters that must be addressed before the assessment of the project can be finalised:

1. Finalisation of landowners consent for the parcel of Crown Land within the project boundary, and
2. An agreed draft Voluntary Planning Agreement with Federation Council or other suitable arrangement agreed to by Council.

Please provide the information by Friday 10 June 2022. If you cannot meet this deadline, please provide an alternative timeframe.

If you have any questions, please contact Carl Dumpleton, on 9274 6283/ at carl.dumpleton@planning.nsw.gov.au.

Yours sincerely,

Jessie Evans
