"N" means the number of hectares comprised in the Net Developable Area for the Development on the Land.

"WCR" is the amount representing the notional monetary contribution rate, which:

- (i) at the date of this deed is \$201,874; and
 - (ii) is adjusted in accordance with clause 1.2(b) of this Schedule 4.
- (b) The value of WCR is to be adjusted by multiplying \$201,874 by an amount equal to Current CPI divided by Base CPI, being the Current CPI applicable at the date for which the determination of the Additional Monetary Contribution must be made under clause 4.4(b) of this Schedule 4.
- (c) For avoidance of doubt, the Minister and the Developer acknowledge and agree that the value of the WCR will not increase or decrease upon the making of a SIC Determination that applies to the Land.

2.5 Estimated Cost and Actual Cost of the Mamre Road Works

- (a) The parties agree that on each CPI Adjustment Date, the Estimated Cost of the Mamre Road Works is to be adjusted by multiplying that cost by an amount equal to the Current CPI divided by the Base CPI.
- (b) The parties agree that if the Actual Cost of the Mamre Road Works is more than the Estimated Cost of the Mamre Road Works, the portion of Offset Amount the Developer may receive by carrying out the Mamre Road Works is the Estimated Cost of the Mamre Road Works.
- (c) The parties agree that the Minister may make any reasonable determination required to be made for the purpose of calculating the Actual Cost of the Mamre Road Works, following consultation with the Developer, acting in good faith and having proper regard to all matters put before the Minister by the Developer.

- (b) Subject to clauses 3.2(c) and 3.5(e)(ii) of this Schedule 4, the Minister will recognise the amount specified in the table in clause 1.1 of this Schedule 4, as applicable, as the Value of the Mamre Road Land.
- (c) The parties agree, on each CPI Adjustment Date, the value of the Mamre Road Land (being the amount specified in the table in clause 1.1 of this Schedule 4) will be multiplied by an amount equal to the Current CPI divided by the Base CPI until an Offset Certificate is issued to the Developer that sets out the portion of the Offset Amount that has been credited for the Mamre Road Land Contribution.

3.3 Subdivision of the Mamre Road Land

- (a) In order to dedicate the Mamre Road Land in accordance with clause 3.5 of this Schedule 4, the Developer must (at its cost) obtain Development Consent (if any is required) and any other necessary approvals, in connection with a proposed Plan of Subdivision or other plan that on registration will dedicate the Mamre Road Land as a public road in accordance with section 9 of the *Roads Act 1993*.
- (b) The Developer must comply with any conditions of Development Consent and other approvals.

3.4 Timing for Provision of the Mamre Road Land Contribution

The Developer must provide the Mamre Road Land Contribution in accordance with this deed by the time specified in the table in clause 1.1 of this Schedule 4 (**Mamre Road Land Dedication Date**).

- (b) If the Developer does not comply with clause 3.5(a)(ii), the Minister or Roads Authority may:
- (i) refuse to accept the dedication of the Mamre Road Land; and
 - (ii) require that the Developer undertake works, at the Developer's cost and within a timeframe determined by the Minister or the Roads Authority (acting reasonably), so as to enable the Developer to comply with clause 3.5(a)(ii),
- in which case the Developer must comply with the Minister's requirements.
- (c) For avoidance of doubt, clause 3.5(a)(v) of this Schedule 4 does not apply in relation to encumbrances or affectations being statutory rights that exist or arise under legislation which are of a type which the Developer or owner of the Mamre Road Land could not prevent from affecting the Mamre Road Land and in respect of which no action can be taken by the Developer or owner of the Mamre Road Land.

- (d) Despite clause 3.5(a)(v) of this Schedule 4, if, having used its best endeavours, the Developer cannot ensure that the land to be dedicated is free from any relevant encumbrance and affectation which would otherwise be the subject of clause 3.5(a)(v), then:
 - (i) the Developer may request that the Roads Authority agree to accept the land subject to those encumbrances and affectations; and
 - (ii) if the encumbrance or affectation:
 - (A) does not prevent the future use of the land as a public road; or
 - (B) is not a charge arising as a result of unpaid taxes or charges,
 the Minister or Roads Authority may agree to accept the land subject to those encumbrances (**Agreed Encumbrances for Mamre Road Land**); and
 - (iii) in other circumstances, the Minister or the Roads Authority may withhold the Minister's or Roads Authority's agreement at their absolute discretion.

 - (i) the Developer must provide to the Minister or the Roads Authority with a valuation report (prepared by an appropriately qualified valuation expert) which quantifies the diminution in value of the Mamre Road Land as a result of the Agreed Encumbrances for Mamre Road Land (**Mamre Road Land Diminution Amount**); and
 - (ii) the Value of the Mamre Road Land is to be reduced by the Mamre Road Land Diminution Amount.
- (f) The Developer indemnifies and agrees to keep indemnified the Minister and the Roads Authority against all Claims made against the Minister or Roads Authority as a result of any Contamination that is required to be Remediated by an Authority over the whole or any part of the Mamre Road Land but only in relation to Contamination that existed on or before the date the Mamre Road Land is dedicated as a public road or compulsorily acquired by the Minister or the Roads Authority (as the case may be).
- (g) The Developer will pay all rates and Taxes owing in respect of the Mamre Road Land up to and including the date that the Developer dedicates the Mamre Road Land as a public road pursuant to clause 3.4 of this Schedule 4 or the date of acquisition (as applicable), after which time the Roads Authority will be responsible for any rates and Taxes in relation to the Mamre Road Land.
- (h) The Developer indemnifies and keeps indemnified the Minister (or at the Minister's election, the Roads Authority) in relation to any failure of the Developer to comply with clauses 3.2 to 3.6 of this Schedule 4.
- (i) The parties agree that clause 3 of this Schedule 4 operates as a deed poll in favour of the Roads Authority (where applicable).
- (j) Despite any other provision of this Schedule 4, the Developer may request the Minister to agree to providing the Mamre Road Land Contribution in a different manner to dedication through registration of a Plan of Subdivision or other plan as referred to in section 9 of the *Roads Act 1993*. If the Minister agrees to the request, the parties may agree to the modification of provisions of Schedule 4 referring to such a plan to accommodate the alternative manner in which the land is to be provided.

3.6 Compulsory acquisition of Mamre Road Land

- (a) If the Developer does not dedicate the Mamre Road Land as a public road as required by clause 3.5 of this Schedule 4, the Minister may elect to, and the Developer consents to, the Minister or the Roads Authority compulsorily acquiring the whole or any part of the Mamre Road Land in accordance with the *Land Acquisition (Just Terms Compensation) Act 1991* (NSW), for the amount of \$1.
- (b) The Developer and the Minister agree that:

- (c) Subject to clause 3.5(d) of this Schedule 4, the Developer must ensure that the Mamre Road Land is free of all encumbrances and affectations (including any charge or liability for rates, Taxes and charges) immediately before the Mamre Road Land is to be acquired by the Minister or the Roads Authority.
- (d) The Developer indemnifies and keeps indemnified the Minister and the Roads Authority against any Claims made against the Minister or Roads Authority as a result of any acquisition by the Minister or the Roads Authority of the whole or any part of the Mamre Road Land under this clause 3.6.

Where:

 - (iii) in the case of the Mamre Road Works Contribution, a report to the Minister which:
 - (A) provides an itemised breakdown and details of the Actual Costs incurred by the Developer, including accounts for the Actual Costs;
 - (B) shows that the Actual Costs have been reduced by the amount of any input tax credit which the Developer is entitled to claim;
 - (C) provides a reconciliation of the Actual Costs with the Estimated Cost of the Mamre Road Works;
 - (D) includes a tabulated and indexed folder of tax invoices for, and documentary evidence of the payment of, each of the items which the Developer proposes to form the Actual Costs; and
 - (iv) such other supporting documentation as is necessary for the Minister to determine whether the Mamre Road Works Contribution or the Mamre Road Land Contribution (as

the case may be) has been completed. The Developer must promptly provide any additional information reasonably requested by the Minister.

- (b) The Minister may commission an accountant or a quantity surveyor (or both) at the Developer's expense, to review the materials submitted by the Developer and to assist with the Minister's assessment of the Completion Notice and the Actual Costs associated with the Mamre Road Works Contribution.
- (c) The Minister will, within 45 days of receiving the Completion Notice and all the certificates and information required under this clause 5.1 determine:
 - (i) whether the Mamre Road Works Contribution or the Mamre Road Land Contribution (as the case may be) has been completed; and
 - (ii) the Approved Actual Cost which the Minister will recognise as being properly attributable to the Mamre Road Works Contribution.
- (d) If the Minister, acting reasonably, is satisfied that the Mamre Road Works Contribution or the Mamre Road Land Contribution (as the case may be) has been provided, the Minister will:
 - (i) accept the Mamre Road Work Contribution or the Mamre Road Land Contribution (as the case may be) to discharge (partly or in full) the Developer's obligation to make a contribution towards regional transport infrastructure and services; and
 - (ii) issue an Offset Certificate to the Developer which will set out the Offset Amount that has been credited for the Mamre Road Works Contribution or the Mamre Road Land Contribution (as the case may be).
- (e) If the Offset Amount that has been credited for the Mamre Road Works Contribution and the Mamre Road Land Contribution is greater than the Notional Monetary Contribution calculated in accordance with clause 1.2 of this Schedule 4 then clause 5.2 of this Schedule 4 applies.
- (f) If the Minister, acting reasonably, is not satisfied the Mamre Road Works Contribution or the Mamre Road Land Contribution has been provided, the Minister will notify the Developer and provide an explanation as to why he or she considered that the Mamre Road Works Contribution or the Mamre Road Land Contribution (as the case may be) has not been completed and, if applicable, provide details of:
 - (i) any additional work or tasks which must be undertaken; and/or
 - (ii) any information or documents which must be provided,

by the Developer, in order to complete the Mamre Road Works Contribution or the Mamre Road Land Contribution (as the case may be). The Developer may, after taking into account the Minister's explanation and undertaking the work or providing the information or documents required, re-submit a Completion Notice together with any necessary documentation.
- (g) If, despite the actions undertaken under clause 5.1(f) of this Schedule 4, the parties dispute whether the Mamre Road Works Contribution or the Mamre Road Land Contribution has been provided to the Minister, clause 7 applies to the resolution of the dispute.
- (h) Despite any other provision of this deed, the Minister may, at the Minister's absolute discretion, decide to credit an amount that is less than the Estimated Cost of the Mamre Road Works or the Approved Actual Cost, if Transport for NSW advises that a portion of those works needs to be removed or demolished to give effect to Transport for NSW's design for Mamre Road at the

relevant time. The Minister in exercising his right under this clause may only have regard to the costs of the works that are required to be removed or demolished.

5.2 Use of Offset Amount

- (a) The Developer must not apply, or purport to apply, or agree to or allow any other person to apply or purport to apply, part of the Offset Amount to discharge an obligation to make a development contribution except in accordance with this deed.
- (b) If the Offset Amount is more than the Notional Monetary Contribution, the Minister is to allow the Developer to apply the amount that represents the difference between the Offset Amount and the Notional Monetary Contribution (the **Credit Amount**) to discharge the Developer's liability or the liability of another person nominated by the Developer to make a development contribution under another planning agreement (whether that agreement is in force when this deed commences or comes into force after this deed commences) relating to the provision of regional transport infrastructure and services on other land (not being the Land) to which the SEPP applies.
- (c) If the Minister allows any part of the Credit Amount to be applied to discharge an obligation in accordance with clause 5.2(b) of this Schedule 4:
 - (i) that part of the Credit Amount will be taken to have been surrendered to the Minister; and
 - (ii) the Minister will provide an updated Offset Certificate to the Developer showing that the value of the Offset Amount has decreased by that amount.
- (d) Upon the making of a SIC Determination that applies to a special contributions area that includes the Land, the Minister is to allow the Developer to apply the Credit Amount to satisfy the non-monetary percentage of a SIC for development on other land to which the SIC Determination applies.
- (e) For the purposes of clause 5.2(d) of this Schedule 4, the **non-monetary percentage of a SIC**, in relation to a development, means that percentage or part of the SIC for the development that may be made (whether or not requiring the agreement of the Minister) by carrying out works for the provision of infrastructure, or by providing land for infrastructure, and that is not expressly required, under the terms of the SIC Determination, to be made as a monetary contribution.

Schedule 5- Security

(clause 5.1)

1. Developer to provide Security

- (a) In order to secure the performance of the obligations of the Developer under this deed, the Developer has agreed to provide the Security, in the form of Bank Guarantees, to the Minister.
- (b) Each Bank Guarantee must:
 - (i) either name the “Minister for Planning and Public Spaces” and the “Department of Planning, Industry and Environment ABN 20 770 707 468” or the “Minister for Planning” and the “Department of Planning and Environment ABN 20 770 707 468” as the relevant beneficiaries;
 - (ii) be in the amount as set out in the table below;
 - (iii) be security for the Secured Obligation as set out in the table below; and
 - (iv) not have an expiry date.

Security Amount	Secured Obligation

\$1,997,500 (Road Works Security)	The obligation to make the Mamre Road Works Contribution pursuant to clause 2 of Schedule 4.
An amount to be calculated in accordance with clause 4(a) of this Schedule 5 (Transfer Security)	The obligation to make the Development Contribution in respect of the part of the Land to be transferred or sold pursuant to clause 9.2(c).
An amount to be calculated in accordance with clause 5(b) of this Schedule 5 (Contribution Security)	The obligation to make the Development Contribution, being the value of the Notional Monetary Contribution.

2. Base Security

- (a) At the time the Developer executes this deed, the Developer must provide the Base Security to the Minister in order to secure the performance of all obligations of the Developer under this deed when it is executed by the Minister.
- (b) From the date the Developer executes this deed until the date that the Developer has performed all its obligations under this deed, the Minister is entitled to retain the Base Security and call upon it in the circumstances set out in clause 6 of this Schedule 5.

3. Road Works Security

- (a) At the time the Developer executes this deed, the Developer must provide the Road Works Security to the Minister in order to secure the provision of the Road Works Contribution under this deed when it is executed by the Minister.

- (b) If, following the execution of this deed, the Developer:
 - (i) enters into one or more Road Works Deeds in relation to the Mamre Road Works;
 - (ii) provides security to the Roads Authority so that the total amount of the security provided to the Roads Authority equals or exceeds the Road Works Security; and
 - (iii) satisfies the Minister, in the Minister's absolute discretion, as to the adequacy of the security provided to the Roads Authority for the Mamre Road Works including providing all information reasonably required by the Minister regarding the security provided,

the Minister will accept the security provided to the Roads Authority as securing the performance of the Developer's obligation to deliver the Mamre Road Works, and will provide written notification to the Developer of the Minister's position under this clause 3(b) within 20 Business Days of receiving all required information from the Developer regarding the security provided to the Roads Authority.
- (c) Where clause 3(b) of this Schedule 5 applies, the Minister will return the Road Works Security within 20 Business Days of the Minister notifying the Developer of the Minister's acceptance of the security provided to the Roads Authority.
- (d) If the Developer does not satisfy the Minister as to the adequacy of the security provided for the Mamre Road Works to the Roads Authority in accordance with clause 3(b) of this Schedule 5, then:
 - (i) the Developer will be required to provide a Bank Guarantee to the Minister for the difference between the total amount of the security provided under one or more Road Works Deeds to the Roads Authority and the Road Works Security;
 - (ii) upon receipt of the Bank Guarantee required by the Minister under clause 3(d)(i) of this Schedule 5, the Minister will accept that Bank Guarantee and the security provided to the Roads Authority as securing the performance of the Developer's obligation to deliver the Mamre Road Works; and
 - (iii) the Minister will return the Road Works Security within 10 Business Days of receiving the Bank Guarantee under clause 3(d)(i) of this Schedule 5.

4. Transfer Security

- (a) A Transfer Security required under clause 9.2(c) is an amount equal to 'X' in the following formula:

$X = \text{Notional Monetary Contribution} \times (\text{Net Developable Area of part of the Land to be sold or transferred pursuant to clause 9.2} \div \text{Net Developable Area of the Land}).$
- (b) From the date the Transfer Security is provided to the Minister pursuant to clause 9.2(c) in relation to part of the Land until the date the contributions made under this deed reach a value at least equal to the value of the Transfer Security, the Minister is entitled to retain the Transfer Security and call upon it in the circumstances set out in clause 6 of this Schedule 5.
- (c) Despite clause 7 of this Schedule 5, the Minister is entitled to retain any Transfer Security beyond the date referred to in clause 4(b) of this Schedule 5 if the value of the contributions made under this deed is less than the total value of the Transfer Securities, Road Works Security and Base Security held by the Minister.

- (d) However, once the Contribution Security is provided by the Developer in accordance with clause 5 of this Schedule 5, the Developer is not required to provide any further Transfer Security for the purposes of clause 9.2(c).
- (e) For the purposes of this clause 4, the **value of the contributions made under this deed** is any Offset Amount shown on the Offset Certificate (together with any Additional Monetary Contribution made by the Developer).

5. Contribution Security

- (a) The Developer must provide the Contribution Security to the Minister prior to the issue of an Occupation Certificate for a building or part of a building within the Development, unless at that date:
 - (i) the Minister holds one or more Transfer Securities (together with the Base Security and Road Works Security) that have a total value equal to or exceeding the Notional Monetary Contribution; or
 - (ii) the Developer has an Offset Certificate showing an Offset Amount that is equal to or exceeds the Notional Monetary Contribution; or
 - (iii) the combination of securities referred to in clause 5(a)(i) of this Schedule 5 and offsets referred to in clause 5(a)(ii) of this Schedule 5 have a total value that is equal to or exceeds the Notional Monetary Contribution.
- (b) The Contribution Security is an amount equal to 'X' in the following formula:

$$X = \text{Notional Monetary Contribution} - (\text{the Base Security} + \text{the total value of any Transfer Securities} + \text{the total value of any Road Works Security} + \text{any Offset Amount}).$$
- (c) From the date the Contribution Security is provided to the Minister pursuant to clause 5(a) of this Schedule 5 until the date the Development Contribution is made by the Developer, the Minister is entitled to retain the Contribution Security and call upon it in the circumstances set out in clause 6 of this Schedule 5.
- (d) For the purposes of calculating the Notional Monetary Contribution, the value of WCR in the formula in clause 1.2 of Schedule 4 is to be adjusted by multiplying \$201,874 by an amount equal to Current CPI divided by Base CPI, being the Current CPI applicable at the date at which the Contribution Security is determined.
- (e) For the purposes of clause 4 and this clause 5, **Road Works Security** includes any security provided by the Developer to the Roads Authority pursuant to clause 3(b) of this Schedule 5.

6. Claims under Bank Guarantees

- (a) The Minister may:
 - (i) call upon any Security provided in accordance with this deed where the Developer has failed to fulfil the Secured Obligation in accordance with this deed; and
 - (ii) retain and apply such monies towards any costs and expenses incurred by the Minister in rectifying any default by the Developer under this deed.

- (b) Prior to calling upon the Security, the Minister must give the Developer not less than 10 Business Days written notice of his or her intention to call upon the Security.
- (c) If:
 - (i) the Minister calls upon the Security; and
 - (ii) applies all or part of such monies towards and any costs and expenses incurred by the Minister in rectifying any default by the Developer under this deed; and
 - (iii) has notified the Developer of the call upon the Security in accordance with clause 6(b) of this Schedule 5,

then the Developer must provide the Minister with a replacement Security to ensure that, at all times, until the date the Security is released in accordance with clause 7 of this Schedule 5, the Minister is in possession of Security for a face value equivalent to the Security required to be provided in accordance with clause 1 of this Schedule 5.

7. Release of Security

- (a) If the whole of the Base Security, Road Works Security and the Contribution Security have not been expended and the Developer has paid or satisfied all of its obligations under this deed, including provision of the Development Contribution in accordance with this deed then the Minister will promptly return those securities (less any costs, charges, duties and taxes payable) to the Developer.
- (b) If a Transfer Security has not been expended and the contributions made under this deed reach a value at least equal to the value of the Transfer Security then the Minister will promptly return that security (less any costs, charges, duties and taxes payable) to the Developer.
- (c) If the Minister retains a Transfer Security in accordance with clause 4(c) of this Schedule 5, then the Minister will promptly return that security (less any costs, charges, duties and taxes payable) to the Developer when the Development Contribution has been made in full.

Schedule 6 – Net Developable Area

- (a) The Net Developable Area for the Development on the Land is the area of land, measured in hectares, shown on the Net Developable Area Plan in Schedule 7 to total 51.0665 hectares, subject to the other provisions of this Schedule 6.
- (b) The Net Developable Area includes the area of any land that the relevant Development Consent authorises, or requires, to be used as a road, or reserved or dedicated as a public road, but does not include:
