Dear Mr Sargent,

I refer to your letter dated 7 April 2022 requesting additional information regarding Modification 8 – external and landscape changes – to SSD-6471 Sydney Modern Gallery.

The Art Gallery of NSW (Art Gallery) notes the City of Sydney's submission acknowledging the Council has reviewed the proposed modifications and has no issues with the changes. We note the City's recommendation on spacing between bollards as well as their offer to share design options for a bollard shroud.

The submission from the Royal Botanic Gardens and Domain Trust (RBGDT) commented on matters that were not related to the changes proposed under Modification 8. Notwithstanding this, the Art Gallery and RBGDT have agreed to meet to discuss the items raised and this is being pursued separately to Modification 8 via the Precinct Working Group established between the Art Gallery, RBGDT and Transport for NSW (Roads and Maritime Services).

As such, the Art Gallery believes all matters relating to Modification 8 have been closed out.

I remain available to discuss in further detail at sally.webster@ag.nsw.gov.au or on 0438 879 963.

Best wishes,

Sally Webster
