Dear Ms Simeonov

Horsley Drive Business Park - Stage 2 (SSD-7664-Mod-3)
Request for additional information

I refer to the assessment of the modification application for the Horsley Drive Business Park – Stage 2 (SSD-7664-Mod-3). The Department requires the following additional information before it can finalise its assessment:

- updates to some of the current stamped plans are required to ensure consistency with the amendments to the development sought by the modification. These include DA02 P5 and DA03 P1. It would be pertinent to review all current stamped plans to ensure consistency with the modification and resubmit as required.
- the Department also understands that you are seeking to provide amended subdivision plans for consideration prior to determination. These amended plans should be provided as part of this request.

Please provide the information or notify us that the information will not be provided, by Thursday 21 April 2022. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

If you have any questions, please contact David Koppers, on 9373 2869 or at david.koppers@planning.nsw.gov.au.

Yours sincerely,
