Dear Mr Gomez

Forest Glen Solar Farm (SSD-9451258)
Request for additional information

I refer to the Amendment Report and Response to Submissions for the Forest Glen Solar Farm. We require the additional information noted below:

- confirm the revised setback distance between solar panels and Receiver R6;
- detail what construction works may occur in the 'R6 Visual setback area for operational infrastructure' (for example, would the area be used as construction laydown area) and show where permanent access tracks would be located (and identify for what purpose);
- provide a high-resolution revised version of Amendment Report Figure 3-1, with the R6 Visual setback area for operational infrastructure shown in a different colour;
- confirm the proposed road upgrades and site access works and confirm:
 - road authority agreement to the works; and
 - actual extent (e.g. chainage) of proposed sealing works;
- provide an update on any recent discussion with Council regarding the proposed Community Benefit Sharing Program or any planning agreement; and
- provide additional details regarding the alternative emergency exit/entry track which has been identified through the proposal site to Lagoon Creek Road.

Please provide the information, or notify us that the information will not be provided, by Friday 29 April 2022. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

If you have any questions, please contact Dominic Crinnion, on 02 9274 6495 or at dominic.crinnion@planning.nsw.gov.au.

Yours sincerely,
