Dear Mr Cassel,

**Upgrades to Chatswood Public School and Chatswood High School (SSD 9483):
Submission of Stage 1 Structural Inspection Certificate in accordance with
Condition D10**

I refer to the Upgrades to Chatswood Public School and Chatswood High School approved on 30 November 2020.

The Department Of Education (DoE) confirms receipt of the requested additional information as listed below;

After careful consideration, the Department is requesting that you provide additional information. I note that the cover letter of the submission references Stage 1 of the Project, while the Structural Inspection Certificate relates to Stage 3 of the Project (Car Park and Sports Court).

Please re-submit a revised cover letter and/or Structural Inspection Certificate confirming the relevant stage(s) of the project.

DOE can confirm that the head contract between DOE & Richard Crookes Construction has 3 stages with 3 separate contracts. The structural certificate provided under condition D10, is in reference to the 3rd stage of the contract between DOE & Richard Crookes Construction (this is not a reference to the staging report approved in accordance with condition A9). Per the cover letter provided and the approved staging report, D10 structural certificate relates to stage 1 works. Please disregard the staging reference noted on the structural certificate.

Yours sincerely

Angelo Parissis
