Dear Ms Dickson

Grenfell Poultry Breeder Farm (SSD-13855453)
Request for additional information

I refer to the Response to Submissions (RTS) submitted for the Grenfell Poultry Breeder Farm proposal (SSD-13855453). After carefully considering the operational noise assessment and supplementary information provided in the RTS, the Department is requesting that you provide the following additional information:

- procedure used to convert measured sound pressure levels to sound power levels for emission modelling
- contingency factor(s) adopted in the noise emission assumptions
- details and plans of the recommended noise mitigation measures (including insertion loss) to ensure compliance with the night-time noise trigger level at Receiver R1.

Additional information regarding other environmental matters will be provided once the advice on the RTS is received from Council and other public authorities.

Please provide the information, or notify us that the information will not be provided, by Tuesday 31 May 2022. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

If you have any questions, please contact Jeffrey Peng on (02) 9995 6685 or via email at jeffrey.peng@planning.nsw.gov.au.

Yours sincerely,
