Dear Mr Wilson

Response to Submissions**

The above modification application was referred to the City of Sydney Council and Transport for NSW for comment. We have placed the advice received on the Department's website [here](#).

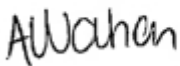

We now require a written response to issues raised in the submissions, as required under section 59(2) of the *Environmental Planning and Assessment Regulation 2021* (EP&A Regulation). The written response must be in the form of a submissions report that has been prepared having regard to the State Significant Development Guidelines (2021). The *Preparing a Submissions Report Guideline* forms part of the SSD Guidelines (Appendix C).

Please provide your response to all the issues raised in the submissions by 24 June 2022.

Please lodge your response by progressing the application on the major projects planning portal <https://majorprojects.planningportal.nsw.gov.au/>.

Note that the time between the date of this letter and the date the Planning Secretary receives your response are not included in the 'assessment period' under section 94(1) of the EP&A Regulation. If you have any enquiries, please contact Annika Hather on (02) 9995 6662 or via email at Annika.Hather@planning.nsw.gov.au.
