Request for additional information**

I refer to the state significant development (SSD) application for the Glenwood High School Upgrade (SSD-23512960).

The Department of Planning and Environment (the Department) has received comments from NSW State Emergency Services (SES) comments (attached) in response to the preliminary Flood Emergency Management Plan (FEMP) dated 12 April 2022.

The Department recommends that you consult with the SES further in the preparation of the revised FEMP.
