Grenfell Poultry Breeder Farm (SSD-13855453)
Request for Additional Information

Dear Ms Dickson

I refer to the Response to Submissions (RTS) report recently submitted in support of the above State significant development (SSD) for a proposed poultry breeder farm at 1130 Gooloogong Road, Grenfell (SSD-13855453).

The RTS was provided to Weddin Shire Council and relevant public authorities to confirm whether it had adequately addressed their previous advice on the SSD. All responses received in relation to the RTS have now been made publicly available on the Department's Major Projects website (<https://www.planningportal.nsw.gov.au/major-projects/projects/grenfell-poultry-breeder-farm>). At the time of writing, comments have not yet been provided by Transport for NSW and these will be forwarded to you as soon as they are received.

The Department notes there remain outstanding matters to be addressed in relation to biosecurity, land use conflict and vegetation clearing.

The Department requests that you provide a response that effectively addresses all issues raised by the Department of Primary Industries and the Biodiversity and Conservation Division of the Department by **30 June 2022**. If you cannot meet this deadline, please provide and commit to an alternative timeframe for providing this information.

If you have any questions, please contact Jeffrey Peng on 9995 6685 or via email at Jeffrey.peng@planning.nsw.gov.au.

Yours sincerely,

Joanna Bakopanos
